Dear Parents/Carers,

This half term our PSHE learning will focus on strategies for keeping ourselves safe and how to manage risk when challenging situations occur. As part of our unit of work, we will be carrying out some age-appropriate learning around child sexual exploitation and grooming using a resource called 'Alright Charlie?'

Whilst we are aware this is an extremely sensitive topic; this will be taught in line with our Relationship and Sex Education Policy and procedures and tackles challenging subjects in a safe environment and age-appropriate way.

All our year 5/6 children will take part in these sessions and the learning which will take place will be important to ensure children are aware of how to keep themselves safe, especially as they transition to high school and beyond.

We have included the video we will watch and discuss together here:

Please can we ask that you do not watch this resource with your child prior to the learning taking place, as school staff work through a very detailed workbook and guidance when teaching this content.

As always, if you have any questions, queries or concerns then please do not hesitate to contact myself or your child's class teacher.

Your faithfully,

Mrs Hair
Deputy Headteacher
