

# British Values in Reception

We believe it is important to treat others as you wish to be treated yourself. Being 'respectful, honest, polite and kind to everyone' is one of our 'Great at Greenside Rules'.

We treat everyone equally, ensuring that we take turns, share and listen to each other's ideas.

## Mutual Respect

### The Rule of Law

We understand that our country has laws and why these are important.

Our 'Great at Greenside' rules keep us safe and ensure a positive learning environment for all.

Rules and routines support us in our work and whilst learning in provision.

### Democracy

We believe in freedom and the right to have our own thoughts and ideas.

We listen to and respect the values and opinions of others during lessons and whilst learning in provision.

In class, we work together to make decisions and often vote to choose a book for story time.

### Individual Liberty

We believe that everyone has the freedom to make their own choices but we are all responsible for our own actions.

In circle time, we listen to our friends' ideas and celebrate our differences.

We make independent choices everyday whilst learning in provision.

### Tolerance of different Faiths and Beliefs

We understand that we don't all share the same beliefs and respect the culture and beliefs of others.

We enjoy learning about special celebrations and events from our local community and around the world.

We celebrate diversity through the storybooks we read and in our learning environment.
