

British Values in KS1

We believe it is important to treat others as you wish to be treated yourself. Being 'respectful, honest, polite and kind to everyone' is one of our 'Great at Greenside Rules'.

We treat everyone equally, ensuring that we give others the opportunity to share their ideas and learn about the qualities that make a good friend. We make visitors feel very welcome in our school.

Mutual Respect

We understand that everyone is free to believe what they choose and recognise that we are all responsible for our own actions.

In school, we have the freedom to make our own choices such as selecting a challenge in class or taking part in clubs. Some of us have special roles and responsibilities in our class.

The Rule of Law

We understand the importance in having laws and know that they protect us and influence our behaviour.

Our 'Great at Greenside' rules make sure that all pupils are safe and treated fairly. We know that there are consequences if we break rules or laws.

We believe in freedom and the right to have our own thoughts and ideas. We listen to and respect the values and opinions of others throughout the school day.

At the beginning of each year, we vote for who we want to represent our class on the School Council. They help to decide how we can improve the school and which charities we should raise money for.

Democracy

Individual Liberty

Tolerance of different Faiths and Beliefs

We understand that we don't all share the same beliefs and respect the culture and beliefs of others.

'Diversity' is one of our curriculum drivers and we enjoy learning about different faiths and cultures from around the world.

In PSHE and RE we talk about and learn to respect differences between people, such as differences of faith, ethnicity, disability, gender or sexuality and differences of family situations.
