

Develop a learning culture.

Develop a culture of learning where all stakeholders are encouraged to reflect upon and learn from mistakes and apply problem solving skills to solve problems and achieve goals.

Further development of school resources and environment.

Ensure procedures are effectively implemented and monitored to ensure consistency and sustainability of school resources and environment.

**Greenside Primary School
Improvement Plan
2023-2024**

Further develop an ambitious curriculum for all.

Increase pupil progress by implementing a well-sequenced, knowledge-rich curriculum that is effectively monitored and evaluated for its impact.

Further embed a culture of reading

To further develop a love of reading across school through exposure to a wide range of high-quality texts which improves the acquisition of the knowledge needed to become lifelong readers.

Strengthen partnerships with all stakeholders to improve engagement and outcomes in children.

Provide bespoke support to parents/carers through well-established community links and support networks to develop positive attitudes towards all aspects of school life.
