Monday 27<sup>th</sup> March 2023

World Autism Awareness Week – March 27-April 2, 2023.

World Autism Awareness Week is held during the week coinciding with Autism Acceptance Day. This year, our children will have a whole school assembly raising this awareness and during class they will be spending lots of time looking at how Autism affects mental, behavioural, and social development.

Over 6% of our pupils at Greenside School have autism (in some classes that is 1 in 6 pupils). We have an inclusive approach to all Neurodiverse needs and will be raising awareness and understanding - please support us whether your child has autism, you know someone who does or are looking to support a diverse, accepting and kind community – let's stand together and pledge our support to make a world of difference by helping all people with autism reach their full potential.
