Consent for Participation in the 'My Health, My School' Survey

Dear Parents and Carers,

We are writing to inform you about an opportunity for your child to take part in the *My Health, My School* survey, an annual survey commissioned by Leeds City Council and partners to gather valuable insights into the health and wellbeing of children and young people across Leeds.

The survey covers topics including physical activity, emotional wellbeing, diet, and healthy lifestyles. The information collected helps schools, local authorities, and health providers to plan and improve services for young people.

Why we need your consent

In accordance with the **UK General Data Protection Regulation (UK GDPR)** and our **Information Sharing Agreement (ISA)** with Leeds City Council, we must obtain your explicit consent for the processing of your child's personal information before they can participate in the survey. Pupils will be given the choice to take part in the survey once we have received consent.

What you need to know:

- Participation is **voluntary**
- The answers given will be **anonymised** and the survey does **not** collect names or any other personal data so your child cannot be identified.
- You child can choose to withdraw at any time, even after the completion (their data will be deleted).
- The survey is completed online during school hours and takes approximately 30-minutes to complete.
- The completed survey data will be anonymised and used solely for research and planning purposes. No individual child can be identified in any published results.

Consent Form

Please complete the online form by **Wednesday 22nd October**: <https://forms.office.com/e/Wpw3GCK9ZF>

If we do not receive your child's consent, your child will not take part in the survey. If you would like more information about the survey, please visit: <https://www.myhealthmyschoolsurvey.org.uk/pages/parents>

Thank you for your continued support.

Yours faithfully

Mr Khan
PSHE, RSE and RE Lead
