Thursday 18<sup>th</sup> July 2024

Dear parents/carers,

Greenside Primary School are delighted to share the outcome from our recent Ofsted inspection held on the 11<sup>th</sup> and 12<sup>th</sup> June 2024. Greenside Primary continues to be a good school. The inspector noted how pupil's feel safe and happy at our highly inclusive school and that Greenside is a harmonious place to learn with an ambitious and exciting curriculum. The ungraded section 8 inspection report has now been officially published on the Ofsted website <https://reports.ofsted.gov.uk/provider/21/107828>. We are extremely proud of the report and feel it captures what we provide, the successes and areas to develop at Greenside perfectly. The Ofsted inspection was a very positive experience which has helped the school to celebrate what we do well and confirmed the areas that need to be on our future school improvement plan.

The inspection has quality assured what we already know about our school and what life is like at Greenside on a daily basis. I would like to thank you as parents/carers for all your support and feedback that helps the school to improve and develop. Thank you to our pupil's for representing Greenside with pride and sharing their experience at Greenside so articulately. Finally, a huge thank you to all the staff and governors at Greenside for their commitment and care towards achieving the best possible outcomes for all our children.

As ever we will reflect upon the feedback and continue to move the school forwards together.

We hope you enjoy reading the report as much as we did.

Yours sincerely,

Mrs Fuller
