Spending of funds:

Discussion re spending some money on helping parents with trips. Group felt that the money would not go very far. Prefer to pay for a whole school event at Christmas to bring new experiences to the children £500 budget to be made available for this. FROGS are welcome to email suggestions into school.

Rest of money will be put towards the playground. This will leave a legacy. Something physical to show for our fundraising. We would want to see the plans before committing money. We really want to buy the MUGA and will focus increasing fundraising efforts. School still getting quotes, 1 is in,

need to have another 2. They then need to be ratified by Governors. This is not going to be a quick process. Once plans have been approved we will then be able to make a more informed choice.

AOB: Kate taken over as treasurer. Kate focussing on opening a more user friendly bank at the moment.
