

# FROGS MARCH NEWSLETTER

Well, it has been quiet times for FROGS due to the pandemic, but we are back and ready to get going with our fundraising for the school!

Our very lovely chair Angela Dyer has stepped down due to family commitments. Angela has done an amazing job leading FROGS and helping the school community. Her Danceathon event has raised so much over the years. I know you will join us in thanking her for her hard work.

We are always looking for new members so please keep a look out for our meetings. Our next one will be 27th April at 7pm at The Royal pub. It doesn't matter if you don't have loads of time to spare, maybe sign up to our list of helpers for future events or just come and meet us to contribute some ideas and socialise. The more the merrier!

Why join FROGS you say??

- PTA's make a positive difference to the school and community
- They organise social activities for everyone to enjoy together
- Money raised is spent on things for the school that the budget cannot cover
- They strengthen the school community
- We want to make school the best place for the children to learn
- We help bring the school, teachers, parents and carers together

Over the years we have supported the school in many ways. In the last month we have contributed £3000 to the playground refurbishment project as a result of the 2022 challenge. We have also previously bought planners for all of the children and provided a yearly Christmas treat such as a visit from a magician. If you have any ideas for this year's December treat, then let us know!

All future fundraising events are going towards the playground!

We continue to collect all your preloved jumpers and cardigans. Please continue to drop them into school reception. We regularly advertise stock on the Greenside parents and carers FB site. We will also be selling them at our various events throughout the year.

## We have lots of plans for the rest of the year so watch this space!

We hope that you will continue to support us. Please contact us via the office if you have any questions, have any fundraising ideas or want to join us. We are working on our plan for the next academic year. We hope to bring our legendary discos back and have a Christmas event for you all. Thank you, from the FROGS team
