Thursday 15<sup>th</sup> January 2025

Dear Parents/Carers,

We have had a confirmed case of head lice in your child's class/year group. Please can we ask that you continue to keep your child's hair tied up when they are in school.

The only way to put a stop to head lice spreading is to be extra vigilant and check your child's hair on a regular basis. If you do find your child has got head lice, it is recommended that you use one of the special combs, available from the chemist, and comb their hair thoroughly with conditioner.

For further information, please see <https://www.nhs.uk/conditions/head-lice-and-nits/> or speak to your pharmacist.

Yours faithfully

Mrs S Fuller
