Monday 22nd June 2026

Dear Parents and Carers,

As stated in our previous correspondence, due to the forecast high temperatures of 30°C and above this week, we have made the decision to postpone the Sports Day morning on Tuesday 23rd June and the Reception Sports Morning on Wednesday 24th June. New dates will be shared as soon as they are confirmed.

We are fortunate that part of our school building is air-conditioned. All classes will have access to these cooler rooms throughout the day to ensure children remain safe and comfortable during the hot weather.

To help us keep everyone cool, please can you:

- Apply sun cream before your child comes to school
- Send sun cream in their bag so they can reapply before lunchtime
- Ensure they bring a filled water bottle
- Provide a sun hat and sunglasses

For safety reasons, we do not allow individual electric or battery-operated fans in school. However, children will have the opportunity to make a paper fan. Research shows that hand-fanning can cool the body just as effectively as small electric fans because it increases airflow directly across the skin, which speeds up evaporation and heat loss.

School will continue to follow all recommended health and safety guidance during the hot weather to ensure children stay as cool as possible.

In the meantime, we hope you are able to enjoy the glorious sunshine safely.
Thank you for your support and cooperation.

Yours faithfully

Mrs Fuller
